5. In counties using printouts as the precinct register, two election judges, one from each major political party, shall compare the signature on the voter identification card with the signature on the computer printout. If the voter does not have his voter identification card, the judges shall require identification acceptable to the election authority. Personal knowledge of the voter by two election judges, one from each major political party, shall be acceptable identification to the election authority.]

115.429. 1. The election judges shall not permit any person to vote unless satisfied that such person is the person whose name appears on the precinct register.

2. The identity or qualifications of any person offering to vote may be challenged by any election authority personnel, any registered voter, or any duly authorized challenger at the polling place. No person whose right to vote is challenged shall receive a ballot until his identity and qualifications have been established.

3. Any question of doubt concerning the identity or qualifications of a voter shall be decided by a majority of the judges **from the major political parties**. If [the] **such** election judges decide not to permit a person to vote because of doubt as to his identity or qualifications, the person may apply to the election authority or to the circuit court as provided in sections 115.193 and 115.223.

4. If the election judges cannot reach a decision on the identity or qualifications of any person, the question shall be decided by the election authority, subject to appeal to the circuit court as provided in section 115.223.

5. The election judges or the election authority may require any person whose right to vote is challenged to execute an affidavit affirming his qualifications. The election authority shall furnish to the election judges a sufficient number of blank affidavits of qualification, and the election judges shall enter any appropriate information or comments under the title "Remarks" which shall appear at the bottom of the affidavit. All executed affidavits of qualification shall be returned to the election authority with the other election supplies. Any

person who makes a false affidavit of qualification shall be guilty of a class one election offense.

115.433. After the voter's identification certificate has been initialed, two judges of different political parties, **or one judge from a major political party and one judge with no political affiliation**, shall, where paper ballots or ballot cards are used, initial the voter's ballot or ballot card.

115.439. 1. If paper ballots or ballot cards are used, the voter shall, immediately upon receiving his ballot, go alone to a voting booth and vote his ballot in the following manner:

(1) If the voter desires to vote a straight party ticket, he may place a cross (X) mark in the circle directly below the party name at the head of the column, or he may place cross (X) marks in the squares directly to the left of the names of candidates on one party ticket;

(2) If the voter desires to vote a split party ticket, he may place a cross (X) mark in the circle directly below one party name at the head of the column and cross (X) marks in the squares directly to the left of the names of candidates on other party tickets, or he may place cross (X) marks in the squares directly to the left of the names of candidates on different party tickets;

(3) If the voter desires to vote for a person whose name does not appear on the ballot, he may cross out a name which appears on the ballot for the office and write the name of the person for whom he wishes to vote above or below the crossed-out name and place a cross (X) mark in the square directly to the left of the crossed-out name. If a write-in line appears on the ballot, he may write the name of the person for whom he wishes to vote on the line and place a cross (X) mark in the square directly to the left of the name;

(4) If the ballot does not contain any party designations, the voter shall place a cross (X) mark in the squares directly to the left of the names of the candidates for whom he desires to vote;

(5) If the ballot is one which contains no candidates, the voter shall place a cross (X) mark in the square directly to the left of each "yes" or "no" he desires to vote. No voter shall vote for the same person more than once for the same office at the same election.

2. For purposes of this section, a punch or sensor mark or any other mark clearly indicating that the voter intends to mark that particular square shall be equivalent to a cross (X) mark.

3. If voting machines are used, the voter shall, immediately upon direction by the judges, go alone to a voting machine, close the curtain and vote in substantially the same manner provided in subsection 1 of this section. Rather than placing cross (X) marks on the ballot, however, the voter shall cause the designations to appear on the face of the voting machine, cast any write-in votes and register his votes as directed in the instructions for use of the machine.

4. If the voter accidentally spoils his ballot or ballot card or makes an error, he may return it to an election judge and receive another. The election judge shall mark "SPOILED"

across the ballot or ballot card and place it in an envelope marked "SPOILED BALLOTS". After another ballot has been prepared in the manner provided in section 115.433, the ballot shall be given to the voter for voting.

5. [If any] **The election authority may authorize the use of a sticker or other item containing a write-in candidate's name, in lieu of a handwritten name[, is present on the ballot].** **All such stickers and items used by election authorities shall conform to rules and regulations promulgated by the secretary of state regarding the form of such stickers and items. The secretary of state shall promulgate rules and regulations to prescribe uniform specifications for the form of such stickers and items. If authorized,** such sticker or item shall contain a cross (X) mark, or other mark as described in subsection 2 of this section, in the square directly left of the candidate's name and the office for which the candidate is a write-in candidate. A write-in vote that does not meet the requirements of this subsection which appears on a ballot shall not be counted [under] **pursuant to** sections 115.447 to 115.525. **those jurisdictions using an electronic voting system which utilizes mark sense or optical scan technology and if the election authority authorizes the use of stickers for write-ins,** such system shall be programmed to identify and separate those ballots which contain an office in which write-in candidates are eligible to receive votes, and which contain less votes than a voter is entitled to cast. In addition, such sticker shall be considered "printed matter" as defined in subsection 8 of section 130.031, RSMo, and as such shall contain the designation required by subsection 8 of section 130.031, RSMo.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

115.453. Election judges shall count votes for all candidates in the following manner:

(1) If a cross (X) mark appears in the circle immediately below a party name at the head of a column, each candidate of the party shall be counted as voted for. If a cross (X) mark appears in the circle immediately below more than one party name, no candidate shall be counted as voted for, except a candidate before whose name a cross (X) mark appears in the square preceding the name and a cross (X) mark does not appear in the square preceding the name of any candidate for the same office in another column. If a cross (X) mark appears in the circle immediately below a party name at the head of a column, and a cross (X) mark appears in the square next to the name of any candidate in another column, each candidate of the party whose

circle is marked shall be counted as voted for, except where a cross (X) mark appears in the square preceding the name of any candidate in another column. Except as provided in this subdivision and subdivision (2) of this section, each candidate with a cross (X) mark in the square preceding his or her name shall be counted as voted for.

(2) If no cross (X) mark appears in the circle immediately below any party name, but a cross (X) mark does appear in the square next to any candidate's name, the name of each candidate next to which a cross (X) mark appears shall be counted as voted for, and no other name shall be counted as voted for. If cross (X) marks appear next to the names of more candidates for an office than are entitled to fill the office, no candidate for the office shall be counted as voted for. If more than one candidate is to be nominated or elected to an office, and any voter has voted for the same candidate more than once for the same office at the same election, no votes cast by the voter for the candidate shall be counted.

(3) No vote shall be counted for any candidate that is not marked substantially in accordance with the provisions of this section. The judges shall count votes marked substantially in accordance with this section when the intent of the voter seems clear. **Regulations promulgated by the secretary of state shall be used by the judges to determine voter intent.** No ballot containing any proper votes shall be rejected for containing fewer marks than are authorized by law.

(4) Write-in votes shall be counted only for candidates for election to office who have filed a declaration of intent to be a write-in candidate for election to office with the proper election authority, who shall then notify the proper filing officer of the write-in candidate prior to 5:00 p.m. on the second Friday immediately preceding the election day; except that, write-in votes shall be counted only for candidates for election to state or federal office who have filed a declaration of intent to be a write-in candidate for election to state or federal office with the secretary of state pursuant to section 115.353 prior to 5:00 p.m. on the second Friday immediately preceding the election day. No person who filed as a party or independent candidate for nomination or election to an office may, without withdrawing as provided by law, file as a write-in candidate for election to the same office for the same term. No candidate who files for nomination to an office and is not nominated at a primary election may file a declaration of intent to be a write-in candidate for the same office at the general election. When declarations are properly filed with the secretary of state, the secretary of state shall promptly transmit copies of all such declarations to the proper election authorities for further action pursuant to this section. The election authority shall furnish a list to the election judges and counting teams prior to election day of all write-in candidates who have filed such declaration. This subdivision shall not apply to elections wherein candidates are being elected to an office for which no candidate has filed.

(5) Write-in votes shall be cast and counted for a candidate without party

designation. Write-in votes for a person cast with a party designation shall not be counted. Except for candidates for political party committees, no candidate shall be elected as a write-in candidate unless such candidate receives a separate plurality of the votes without party designation regardless of whether or not the total write-in votes for such candidate under all party and without party designations totals a majority of the votes cast.

(6) When submitted to the election authority, each declaration of intent to be a write-in candidate for the office of United States president shall include the name of a candidate for vice president and the name of nominees for presidential elector equal to the number to which the state is entitled. At least one qualified resident of each congressional district shall be nominated as presidential elector. Each such declaration of intent to be a write-in candidate shall be accompanied by a declaration of candidacy for each presidential elector in substantially the form set forth in subsection 3 of section 115.399. Each declaration of candidacy for the office of presidential elector shall be subscribed and sworn to by the candidate before the election official receiving the declaration of intent to be a write-in, notary public or other officer authorized by law to administer oaths.

115.493. The election authority shall keep all voted ballots, ballot cards, **processed ballot materials in electronic form** and write-in forms, and all applications, statements, certificates, affidavits and computer programs relating to each election for twelve months after the date of the election. During the time that voted ballots, ballot cards, **processed ballot materials in electronic form** and write-in forms are kept by the election authority, it shall not open or inspect them or allow anyone else to do so, except upon order of a legislative body trying an election contest, a court or a grand jury. After twelve months, the ballots, ballot cards, **processed ballot materials in electronic form**, write-in forms, applications, statements, certificates, affidavits and computer programs relating to each election may be destroyed. If an election contest, grand jury investigation or civil or criminal case relating to the election is pending at the time, however, the materials shall not be destroyed until the contest, investigation or case is finally determined.

115.507. 1. Not later than the second Tuesday after the election, the verification board shall issue a statement announcing the results of each election held within its jurisdiction and shall certify the returns to each political subdivision and special district submitting a candidate or question at the election. The statement shall include a categorization of the number of regular and absentee votes cast in the election, and how those votes were cast; provided however, that absentee votes shall not be reported separately where such reporting would disclose how any single voter cast his or her vote. When absentee votes are not reported separately the statement shall include the reason why such reporting did not occur. Nothing in this section shall be construed to require the election authority to tabulate absentee ballots by precinct on election night.

2. The verification board shall prepare the returns by drawing an abstract of the votes cast for each candidate and on each question submitted to a vote of people in its jurisdiction by the state and by each political subdivision and special district at the election. The abstract of votes drawn by the verification board shall be the official returns of the election.

3. Any home rule city with more than four hundred thousand inhabitants and located in more than one county may by ordinance designate one of the election authorities situated partially or wholly within that home rule city to be the verification board that shall certify the returns of such city submitting a candidate or question at any election and shall notify each verification board within the city of that designation by providing each with a copy of such duly adopted ordinance. Not later than the second Tuesday after any election in any city making such a designation, each verification board within the city shall certify the returns of such city submitting a candidate or question at the election to the election authority so designated by the city to be its verification board, and such election authority shall announce the results of the election and certify the cumulative returns to the city in conformance with subsections 1 and 2 of this section not later than ten days thereafter.

4. Not later than the second Tuesday after each election at which the name of a candidate for nomination or election to the office of president of the United States, United States senator, representative in Congress, governor, lieutenant governor, state senator, state representative, judge of the circuit court, secretary of state, attorney general, state treasurer, or state auditor, or at which an initiative, referendum, constitutional amendment or question of retaining a judge subject to the provisions of article V, section 29 of the state constitution, appears on the ballot in a jurisdiction, the election authority of the jurisdiction shall mail or deliver to the secretary of state the abstract of the votes given in its jurisdiction, by polling place or precinct, for each such office and on each such question. If mailed, the abstract shall be enclosed in a strong, sealed envelope or envelopes. On the outside of each envelope shall be printed: "Returns of election held in the county of (City of St. Louis, Kansas City) on the day of,, ", etc.

Except as provided in subsections 2, 3, 4, 5, and 6 of this section, the membership of a county committee of each established political party shall consist of a man and a woman elected from each township or ward in the county.

2. In each county of the first [class] **classification** containing the major portion of a city

which has over three hundred thousand inhabitants, two members of the committee, a man and a woman, shall be elected from each ward in the city. Any township entirely contained in the city shall have no additional representation on the county committee. The election authority for the county shall, **not later than six months after the decennial census has been reported to the President of the United States**, divide the most populous township outside the city into eight subdistricts of contiguous and compact territory and as nearly equal in population as practicable. The subdistricts shall be numbered from one upward consecutively, which numbers shall, insofar as practicable, be retained upon reapportionment. Two members of the county committee, a man and a woman, shall be elected from each such subdistrict. Four members of the committee, two men and two women, shall be elected from each other township outside the city.

3. In any city which has over three hundred thousand inhabitants, the major portion of which is located in a county [of the first class] with a charter form of government, for the portion of the city located within such county and notwithstanding [the provisions of] section 82.110, RSMo, it shall be the duty of the election authority, **not later than six months after the decennial census has been reported to the President of the United States**, to divide such cities into not less than twenty-four nor more than twenty-five wards after each decennial census. Wards shall be so divided that the number of inhabitants in any ward shall not exceed any other ward of the city and within the same county, by more than five percent, measured by the number of the inhabitants determined at the preceding decennial census. [Changes of ward or precinct lines shall not affect the terms of office of incumbent party committeemen or committeewomen elected from districts as constituted at the time of their election.]

The election authority shall divide the area of the county located within legislative districts not wholly contained in the county into similar committee districts; two members of the committee, a man and a woman, shall be elected from each committee district.

5. In each city not situated in a county, two members of the committee, a man and a woman, shall be elected from each ward.

6. In all [first class] counties with a charter form of government and a population of over nine hundred thousand inhabitants, the county committee persons shall be elected from each

township. **Within ninety days after August 28, 2002, and within six months after each decennial census has been reported to the President of the United States, the election authority shall divide the county into twenty-eight compact and contiguous townships containing populations as nearly equal in population to each other as is practical.**

7. If any election authority has failed to adopt a reapportionment plan by the deadline set forth in this section, the county commission, sitting as a reapportionment commission, shall within sixty days after the deadline, adopt a reapportionment plan. Changes of township, ward, or precinct lines shall not affect the terms of office of incumbent party committee members elected from districts as constituted at the time of their election.

3. If no qualified person is elected county committeeman or committeewoman from a committee district for a party, a vacancy shall exist on the county committee which shall be filled by a majority of the committee in the manner provided in section 115.617.

4. The provisions of this subsection shall apply only in any county where no filing fee is required for filing a declaration of candidacy for committeeman or committeewoman in a committee district. **If only one qualified candidate has filed a declaration of candidacy for committeeman or committeewoman in a committee district for a party prior to the deadline established by law, no election shall be held for committeeman or committeewoman in the committee district for that party and the election authority shall certify the qualified candidate in the same manner and at the same time as candidates elected pursuant to subsection 1 of this section are certified.** If no qualified candidate files for committeeman or committeewoman in a committee district for a party, no election shall be held and a vacancy shall exist on the county committee which shall be filled by a majority of the committee in the manner provided in section 115.617. [The state shall pay the cost of producing ballots for any election held for the purposes of this subsection. The election authority shall pay all public notice costs for any election held pursuant to this subsection.]

Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in sections 115.801 and 115.803 shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.
